

# GIVING THROUGH THE HEART OF CONTRA COSTA COUNTY

The Combined Giving Campaign is a once a year appeal for your financial support of health, human service, environmental, arts and advocacy nonprofit organizations.

Through the campaign, you have the opportunity to give to Federations and individual member charities. All are working to help our community.

A Federation is a group of voluntary charitable organizations established for the purpose of supplying common fundraising, administrative and management services to its members. Contributions designated to a specific Federation will be shared in accordance with that Federation's policy. You may also contribute directly to one or more of a Federation's member charities.

This brochure contains brief descriptions of the Federations to which you may contribute. Employees may give through the payroll deduction plan, or employees may make a one-time contribution (cash or check).

## UNITED WAY OF THE BAY AREA

(415) 808-4300

United Way of the Bay Area

Now more than ever, our neighbors, co-workers and friends are living on the edge. Demand for food and shelter is up 25% to 50%. Unemployment rates are reaching record highs. This is the time for the Bay Area to come together. To LIVE UNITED.

United Way focuses on the following three areas to help families get back on the road to recovery:

- Income – Promoting Financial Independence**

We create pathways to help families rebuild through job skills training, free tax preparation, asset building, credit repair and financial literacy programs.

- Education – Helping People Reach Their Potential**

We build the foundation of future success by improving graduation rates, increasing child and adult literacy, closing the achievement gap, and continuing education for adults resulting in better jobs.

- Health – Improving Access to Healthcare**

Medical bills are the No. 1 cause of personal bankruptcy. The lack of health insurance leads to thousands of missed work and school hours. Join us in ensuring that everyone in the Bay Area has access to high quality health insurance.

Helping those hardest hit by the crisis is our most urgent priority. Whether you volunteer your time, advocate for nonprofits facing enormous strain or choose to give a gift—we urge everyone in the Bay Area to LIVE UNITED.

Thank you for your ongoing support of United Way and our community.

Employees Campaign

the HEART of

## WORKPLACE GIVING

### WHY GIVE?

Simple. Your gift makes your community and your world a better place. Your gift is needed now more than ever. Thank you for participating and thank you for your generous gift.

### WHY GIVE THROUGH YOUR WORKPLACE CAMPAIGN?

Workplace campaigns are a very efficient form of non-profit fundraising. They are a proven cost-effective alternative to direct mail, telemarketing, annual fundraising drives and special event marketing.

### WHY GIVE THROUGH PAYROLL DEDUCTION?

This is the most efficient way to give. All donations are centrally processed and distributed directly to your charity of choice. It's easy for the donor and easy for the charity. Donors can give more because the donation is spread over the year. Charities benefit because payroll deduction ensures a consistent and reliable stream of income to the charities throughout the year.

### WHY DONATE THROUGH A FEDERATION?

Federations provide an important service to non-profit organizations. They screen charities for the highest public accountability and standards. By combining services under a federation umbrella, charities consolidate their marketing, fundraising and processing expenses, and reduce their costs.

### WHY ARE THERE ADMINISTRATIVE FEES?

All charities listing with a federation are in agreement with these fees because they are represented in your workplace campaign. Your campaign effectively allows federations to garner donations charities would not be able to receive otherwise. Federations are non-profit organizations as well and rely on these fees to continue providing workplace giving donation opportunities to charities.
